

Diving Minor

Contract

Instructions: Complete the required course work and “Diving Minor Contract.” Submit the completed contract, along with copies of the DAN Oxygen Provider certification and CPR cards to the Chair of the Department of Health and Physical Education and the Diving Safety Officer for their signatures and approval of the contract. The completed and approved contract will be sent to the Office of the Registrar. **Note: A minimum of twelve (12) units toward this minor must be taken at Humboldt State University. A passing grade and certification is required in all courses taken for the minor.**
